

PARK[ing] Design Competition

Overview

The objective of this competition is to design a **conceptual** and creative **urban or architectural intervention** for two parking spaces on the BCIT campus. This competition is open to all BCIT students; designs may be submitted individually or in teams (five members maximum). The designs will be reviewed anonymously by a panel of Architectural Connections Executives and ARSC and/or INTD guest judges. Prizes will be awarded to the top three designs, with the winning design receiving a \$50 gift card. All designs will be shown at Architectural Connections' End-of-Month Design Showcase event on Wednesday, November 29 in NE1.

Location

_Two parking spaces in front of the NE1 entrance (see images below)

Design Parameters

- _Maximum parking space design area: 5.0m x 11m
- _Create an urban or architectural design intervention that reimagines the potential of BCIT's parking spaces (e.g. a pavilion, art installation, structure, sustainable initiative, etc.)
- _Respond to and engage the surrounding context of the BCIT campus

Submission Requirements

- _Deadline: **Tuesday, November 28th, 2017 @ midnight**
- _Submissions can be hand or digitally produced – this is a **conceptual** design competition, so graphics won't be judged for their "finished" quality but rather how well they communicate the design intent
- _One 11x17 landscape poster submitted digitally as a high-quality PDF
- _Submissions: architecturalconnections.ca
